Education

Birla Institute of Technology, Mesra

- CSE | CGPA: 6.5

2021 - 2025

(expected)

DAV BARIATU

- AISSCE (Class XII), Aggregate: 79%

2018 - 2020

DAV BARIATU

- AISSE (Class X), Aggregate: 80%

2017 - 2018

Skills

Python | C | C++ | Java | WordPress | HTML | CSS | JS | Bootstrap | React | Git | GitHub | MySQL | NodeJs | Json

Projects

1. Jal - Water Delivery Service

Jul'24

Developed a full-stack water jar delivery service website :

- Built a responsive frontend using HTML, CSS, and JavaScript. Powered the backend with Node.js. Integrated Firebase for real-time database management.
- Implemented features for easy order placement, delivery tracking, and subscription management.

2. Currency Converter

Dec'23

Developed a currency converter application :

- Intuitive and user-friendly interface with input fields for selecting currencies, real-time conversion rates display, and clear presentation of converted amounts, ensuring ease of use for users.
- Implemented robust currency conversion logic using JavaScript.

Positions of Responsibility

Tennis Club | Secretary

Jun'22- Present

- Successfully managed administrative tasks
